

GOVERNMENT SCHOLARSHIP – FUNDED BY STATE GOVERNMENT

<https://www.buddy4study.com/article/government-scholarships>

Just like the central government, the governments of different states also offer scholarships for the students who are domicile of that respective states. Yes, the state government scholarships are only meant for the permanent residents of respective areas. The number of scholarships may vary from state to state, but the key objective that each state government scholarship serves is to ensure a reduced rate of drop-out of students from schools and colleges. How many scholarships are being offered by different states? When is the right time to apply for those scholarships? This section covers a state-wise list of some important states' scholarships along with their important information.
